

ICISdirect is a high quality, up-to-date online resource giving you access to thousands of organisations, groups and services that could support your West Sussex clients.

ICISdirect is continually managed, updated and developed to facilitate the work of organisations that support the health and wellbeing of people in West Sussex. It contains thousands of local and national groups and services from all sectors. Subscription rates for voluntary organisations with 15 or fewer users are as follows:

Organisation size	1-5 users	6-15 users
Small voluntary organisations (turnover less than £100,000 pa)	100	125
Medium voluntary organisations (turnover less than £1 million pa)	150	250
More than 15 users (all voluntary organisations)	Prices will be confirmed	
Statutory sector and commercial organisations	Prices will be confirmed	

NB. Charges are per annum and exclusive of VAT

If your organisation would like to have this resource, please complete the form below and return to ICIS at the address below.
